FOR INVESTIGATION GROUPS

RUN YOUR TEAM LIKE A PRO

From first call to final report.

Take requests, work cases, review evidence and publish findings — with the privacy a family's home deserves.

Cases that stay organized

Requests, timelines, investigations and findings, in one place per case.

Evidence tools built in

EVP detection, spectrograms, a video editor, and Paranormal Platform sessions cited in reports.

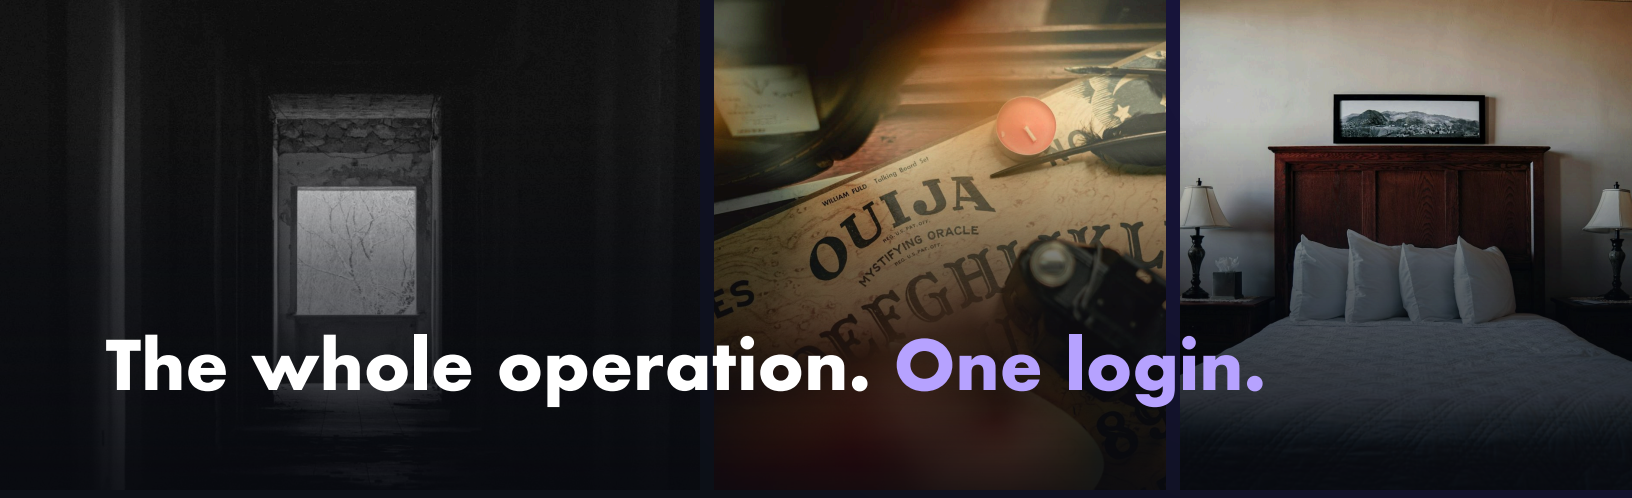

Your people, your rules

Roles and permissions, duties, member titles and equipment you lend.

PUBLIC PLACES STAY FREE

$20
a month, 2-3 members

The whole operation. One login.

Private-home privacy
Write with real names; the public sees pseudonyms and a general area.

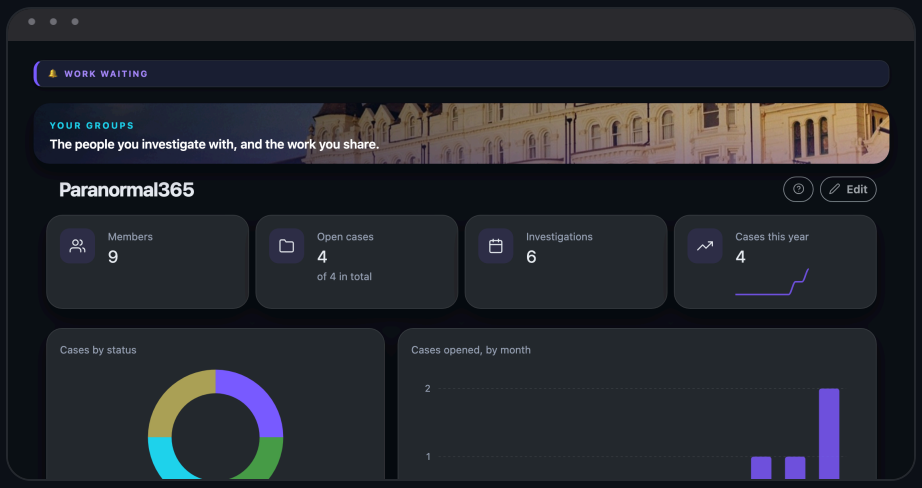

Your own website
Pages, galleries and published cases under your group's name.

Events and RSVPs
A group calendar with sign-ups, reminders and evidence from guests.

Get found
Discovery by location and group ads reviewed and served near viewers.

Every change recorded
An audit trail, receipts and a ledger that never rewrites history.

In the field
The iPhone app logs what happened, with photos, from the scene.

"A client's home is not content. The privacy tools are the product."

WHY GROUPS PAY

1 **Start a group**
Pick a name and invite your team.

2 **Take a case**
Requests land in one queue with the client's details.

3 **Publish safely**
Share findings with redaction done for you.

Plans from $20 a month.

Pay yearly and get two months free. Investigations of public places stay free on every plan.
