FOR EVENT HOSTS

HOSTED EVENTS · WEB + IPHONE

Sell out the séance. Skip the spreadsheet.

Rooms or seats, confirmations with passes, and a door that opens with no signal – for haunted weekends of every size.

Rooms or seats

Draw the plan once. Guests ask for a room or pick their seats; holds lapse on their own.

Every letter, written for you

Asked, held, confirmed with a QR pass, reminders – and one note to all guests.

The night itself

Check in by scan or name, menus and dietary sheets, a program and a photo room.

one event, start to finish: a night, a weekend, or a run of up to a month

Everything a haunted weekend needs.

The booking board
Who's waiting first, with the clock on every hold. Confirm from your phone.

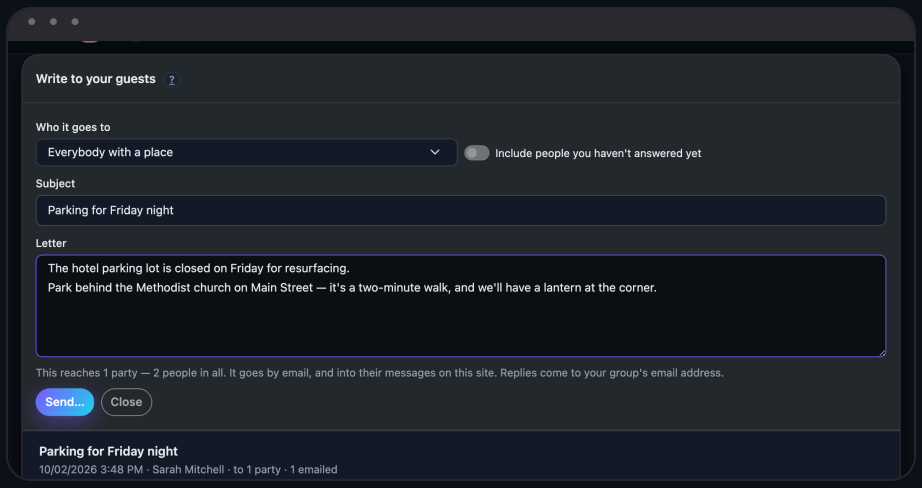

Helpers, not admins
Invite a steward to run the door without handing over the keys.

Menus and the kitchen
Meals by night, dietary notes tallied, tables seated by party.

Passes on the iPhone
The pass, program, menus and downloads – offline when the cellar is.

The room and the wall
Guests post photos; you approve what the public sees.

At a glance
Coming, waiting, places left, arrivals and reviews on one card.

"The parking lot moved. Everybody knew by lunchtime."

WRITE TO EVERY GUEST AT ONCE

1 **Create the event**
Nights, venue, rooms or seats – a draft costs nothing.

2 **Publish**
One event credit per event. It's live in minutes.

3 **Open the door**
Scan passes, even with no signal, from any phone.

$99 an event.

$19.80 with a paid plan. One credit, start to finish: a night, a weekend, or a show's run of up to a month, with extra months half price. No ticket fees: guests pay you. Credits last a year.
