FOR EVERYONE WHO WONDERS

ONE HOME FOR THE PARANORMAL

Where the unexplained gets organized.

Explore haunted places, investigate with your group, run ghost walks and sell out haunted weekends – on the web and on your iPhone.

Explore, free

The feed, a map of haunted places, and the events and ghost walks near you.

Investigate together

Cases, evidence tools, a phone that records in the field, and reports clients can read.

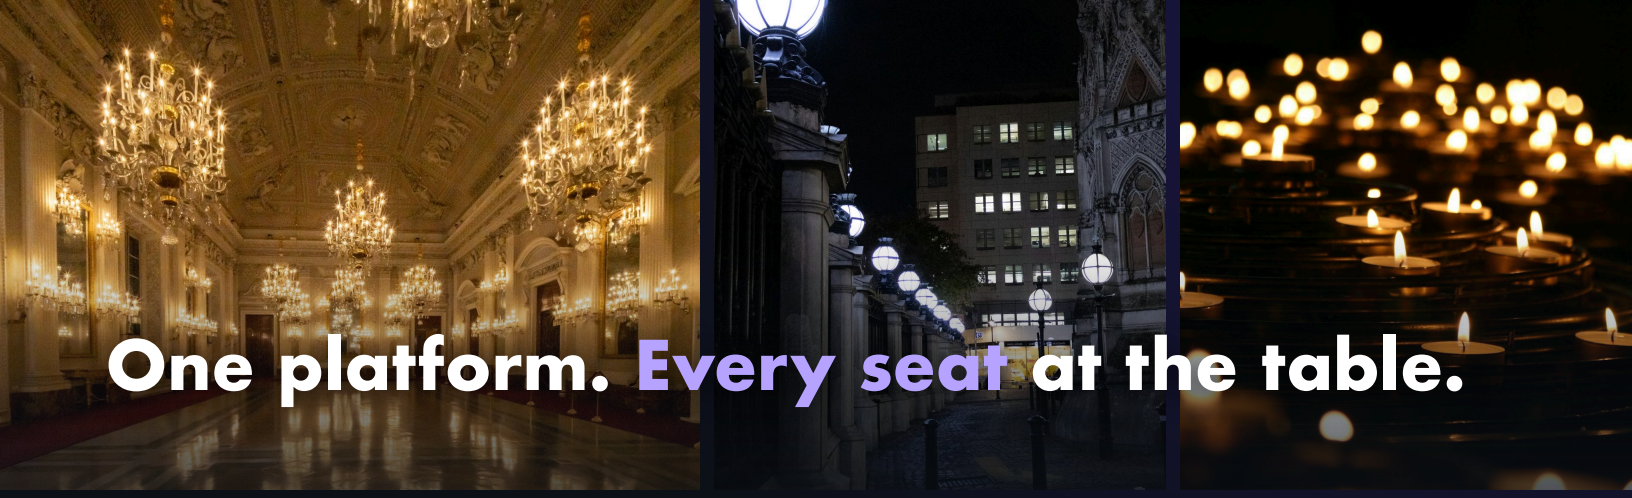

Host and grow

Ghost walks, venues and hosted events – bookings, passes and the door, handled.

One platform. Every seat at the table.

Enthusiasts
The Paranormal Platform turns a phone into a magnetometer, sound meter and recorder — no signal needed.

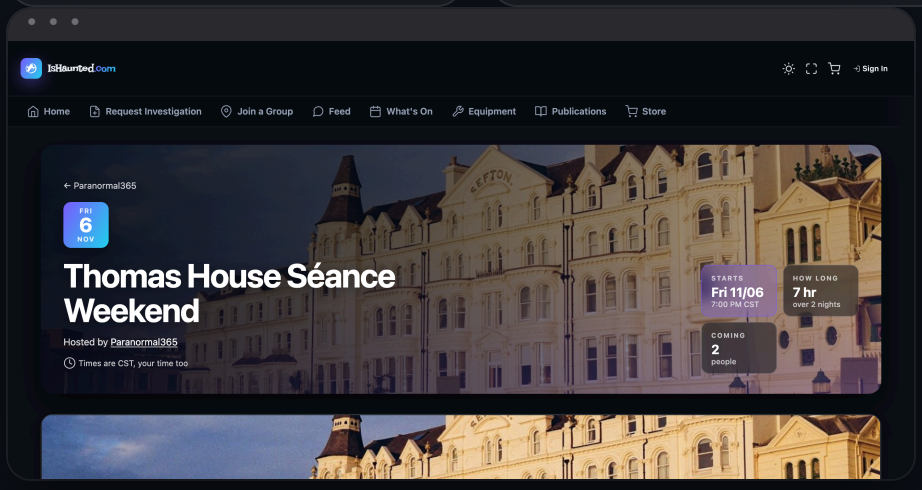

Investigation groups
Cases, members and roles, evidence review and privacy for private-home clients.

Ghost walk tours
A page per tour, dates people book, reminders with your guide, reviews that sell.

Venues
Tell your building's story, show your rooms, and say yes to who hosts there.

Event hosts
Rooms or seats, confirmations with passes, and check-in at the door.

The iPhone app
Passes that open with no signal, the program, the menus and the room.

"A weekend at a haunted hotel should feel like one — from the first email to the last photo."
